Dear Dr Rands

RSE Inquiry into Energy Issues for Scotland

We are members of the British Wind Energy Association and of the Scottish Renewables Forum. We have read Maf Smith's letter to you of 15 July on behalf of the SRF. Rather than reinvent the wheel can we record that we strongly agree with everything that Maf Smith has said in relation to energy issues in Scotland.

Bond Pearce has been a member of the British Wind Energy Association since 1990, and has thus been involved in renewables for over 15 years.

Yours faithfully

Bond Pearce
